ABOUT ROCHESTER JAMAICAN ORG. INC (RJO)

In celebration of Jamaica's 55th anniversary of independence, the RJO Inc. is pleased to host this annual golf tournament. The proceeds from this event will directly benefit The Theodora Project. The Theodora Project was established in 2004 in response to the problem of human-trafficking, focusing on Negril in Western Jamaica . It provides critical skills to sexually exploited and at-risk youth who have dropped out of the school system. The Theodora Safe House houses girls who are sexually exploited and at-risk of human trafficking. The house provides a safe environment for the girls while they attend school and in the meanwhile are exposed to aspects of personal and social development.

The Rochester Jamaican Organization, Inc. is a 501(c)3 Corporation (NOT-FOR-PROFIT) that was formed in 2006 to: "provide an association that will provide to Jamaicans and friends of Jamaica a network that will provide access to resources that will positively impact social conditions of Jamaicans in Jamaica and in Rochester". More information about the mission of the Rochester Jamaican Organization can be found at our website: www.rochesterjamaican.org
